Experience

INTERNET MARKETING SPECIALIST

Simple Truths, LLC Naperville, Illinois 11/2008 - Present

- Developed and coded HTML E-mail campaigns using Responsys Interact3. I also helped with maintenance of www.simpletruths.com's e-commerce store through the use of Nexternal Order management system.. Primarily worked with Photoshop and Dreamweaver CS3. Other responsibilities included image creation for the web as well as Wordpress blog maintenance.

GRAPHIC DESIGN INTERN

L.R. Nelson, Peoria, Illinois 3/2007 - 09/2008

- Developed graphics solutions for mass merchandising and brand development for L.R. Nelson, a leading manufacturer of consumer watering products. Packaging design included cards, blisters, cartons, boxes and point of purchase displays. Graphic design included signage, catalogs, labels, PowerPoint presentations, as well as in-house materials.

GRAPHIC DESIGN INTERN

Martin Engineering, Neponset, Illinois 06/2004 - 01/2006

- Developed graphics solutions for brand development for Martin Engineering, a leading manufacturer for the handling of bulk materials in basic industries. Graphic Design included layouts for technical data sheets, customer testimonial documents, as well as other in-house materials.

FREELANCE PROJECTS

Kewanee Physical Therapy and Rehab Specialists Kewanee, IL 10/2008

- Designed and developed the website <http://www.kptrs.com>, for greater design aesthetic and usability.
